## THE NEW LOOK OF BRODA... THE EVOLUTION OF COMFORT

### **Adapts to Resident's Changing Needs:**

ClearPath™ mobility chair can be quickly and easily modified to become a ClearPath™ positioning chair and vice-versa.

### **Saves Facility Cost and Space:**

One chair designed to accommodate multiple patient needs, while addressing facility storage space constraints and tight budgets.

### **Offers Superior Comfort:**

Infinitely adjustable tilt and recline provide pressure redistribution and comfort.

Models shown with upgraded vinyl seat and back covers

### **ClearPath™ Mobility**

Lowered seat height allows for self propelling.

**Easily ADD:**

-   
WINGS
-   
BACK RECLINE
-   
LEGREST
- + RAISED SEAT HEIGHT

### **ClearPath™ Positioning**

Full positioning options help prevent falls without the use of restraints.
