

Preferred Chairs for Hospice Care

Broda understands the importance of providing quality end-of-life care for your hospice patients. Our chairs are known for their quality, comfort and pain management which can help you meet your goals.

Patients, families and caregivers alike have seen the difference a Broda chair can make in a loved one's life:

- ✓ Comfort Tension Seating™ helps reduce pressure and create air flow, providing **long term sitting comfort and pain management.**
- ✓ Infinitely adjustable tilt and recline allows patients to get out of bed, thus **improving their quality of life and dignity.**
- ✓ User friendly features make it easy for caregivers to **provide the best care and compassion** for patients.

Why Else Should You Use a Broda Chair?

1. Broda has been in the Long Term Care environment since 1981. We know about providing comfort and the best quality end-of-life care.
2. We have over 2000 chairs currently been used in the Hospice environment.
3. We are working with multiple national and regional Hospice companies on a rental or purchase basis.
4. Broda has a broad line of seating that can help you to appropriately seat a wide variety of patients. We can accommodate Huntington's, Alzheimer's, contractures, kyphosis, and bariatrics among many other seating challenges.

Let us help you meet your goals!

We would welcome an opportunity to in-service you on the Broda line. **We offer free, no obligation chair evaluations.**
